# DEFEND IT MANAGED PRINT SERVICES

Take Control of Your Printing — Save Time & Money

WHAT ARE MANAGED PRINT SERVICES?

Managed Print Services (MPS) help businesses eliminate the headaches of managing printers, supplies, and maintenance — while lowering costs and increasing productivity.

BENEFITS OF MANAGED PRINT SERVICES FOR YOUR BUSINESS:

➜ Cost Savings

- Predictable monthly billing with no surprise expenses
- Reduce print waste & control print costs
- Consolidated vendor for all supplies & service

➜ Maintenance & Repairs Included

- On-site service & repairs included
- Automatic toner & ink delivery before you run out
- Preventative maintenance keeps your equipment running at its best
- Fast response times from expert technicians

➜ Toner, Ink & Supply Management

- Automated supply monitoring & replenishment
- Genuine OEM or high-quality compatible supplies
- Eliminate stockpiling or emergency trips for toner

➜ Enhanced Scanning Features

- Quick scan-to-email capabilities
- Scan directly to network folders, cloud storage, or mobile devices
- Secure document scanning to protect sensitive information
- Simplified workflows that save time & improve document management

➜ Expert Support & Monitoring

- Remote monitoring for proactive issue resolution
- Single point of contact for service & support
- Friendly helpdesk & on-site technicians when you need them
- Reduce downtime & improve office productivity

WHY BUSINESSES LOVE MANAGED PRINT SERVICES:

- ✅ Save Money
- ✅ Minimize Downtime
- ✅ Boost Office Efficiency
- ✅ Automate Toner & Supply Management
- ✅ Quick & Easy Scanning to Email or Cloud
- ✅ Focus on What Matters Most — Your Business
